The Kern River Valley Historical Society is celebrating over 57 years of preserving and communicating the rich and colorful history of the Southern Sierra.

With the purchase of a personalized, engraved brick you demonstrate your love of the area. Bricks will be permanently set and prominently displayed outside the Museum Annex. You have the opportunity to honor your family, remember a loved one, show support for an organization or business, or honor friends.

Brick by brick we'll create an everlasting display of pride in our Valley and its history. We invite you to honor our culture and heritage by giving the gift of permanence with the purchase of a brick.
